Nineteen Forty Two

Our School In Winter

A yearbook should live up to its name. It should portray in word and picture the complete story of a school year. We hope that this record of the 1941-42 school year at H. C. H. S. has fulfilled the stated requirements.

Foreword

OUR SCHOOL

The Catalpa Tree

IS PROUD OF THOSE WHO SACRIFICE TO KEEP OUR LIBERTY.

Dedication

To those students of H. C. H. S. who have fought in the past and who will fight in the future—as they are fighting now—for the freedom of our country, we dedicate this book. We have used the old tree to symbolize the motto that is in the heart of every true patriot—"V", for Victory.

In planning this year's Hiltop, we have separated it into four divisions, using blocks to signify School, Sports, Activities, and Features. These four phases of our school life remain unchanged each year; they are always a part of the active weeks which are spent in school. Yet they are not the same every year. There are new faces, new football heroes, and other unique events that make this year really different from others.

School

What would we do without our school? Yes, we know there are some who dislike school immensely, while there are others who enjoy going to school. Everyone must remember we would not have our dear old H. C. H. S. if it were not for the Board of Education and our principal, Mr. Girhard, and their fine cooperation. For it is they who make the laws by which we are to abide. One must not forget our efficient teachers who tirelessly give of themselves daily. Students, we owe much to those who make it possible for us to have a public school in a free country, for remember there are many who do not.

Board of Education

These able men are chosen every three years to superintend and to authorize the operations of the school. They hire the faculty and other employees of the school. We owe much to these men who do a splendid job of keeping H. C. H. S. going.

Mr. Girhard, our principal, is another influential person connected with our school. He is truly impartial in all affairs and to every student. We believe him to be indispensable to the welfare of the student body as well as the school.

Well, our high school days will soon be closing. Some look forward to graduation with anxiety; others can't help but feel a pang of sorrow at leaving dear old H. C. H. S.

Oh! can't you remember stepping into our freshman classes, green and shy! Well, we did our best and all of us came out with flying colors. That year passed quickly and all of a sudden we were sophomores. More confidence then. Soon came the sophomore program and party. We'll have to admit that this party seemed more fitted to grown-up's. After all, we were growing up.

Finally, we entered the doors of H. C. H. S. as upperclassmen who reigned with authority. This year held many promises, such as the Junior and Senior Proms for which we created a jungle theme. Every one knew our prom was a success by the ring of joy and laughter in the air. Who could forget our master of ceremonies or

the girls who sang, "Way Down Jungle Way"? That tune should bring back many remembrances. Remember watching the Junior Class President lead the class of '41 down the aisle to their seats. I guess some of us thought of the day when we would receive our diplomas.

Yes, the three years did pass quickly, didn't they? It wasn't long until Carnival candidates were everywhere. That was a trying time for the girls, wasn't it? Along came the Proms, Operetta, Class Play, and last—but—not—least—graduation. Our big moment finally arrived. We've marched down to our seats, listened to the program and speakers, and received our diplomas. After being congratulated by our understanding advisor, Miss Horner, our high school days are over. Did I see tears in that girl's eyes? I thoroughly understood how she felt. But it isn't a time for tears. We should leave saying, "We're out to face the world, with our motto, 'Chin Up.'"

Junior Class

The class of 1943—"Jolly Juniors" is the name. They truly lived up to this active name, and they proved it by their many and varied activities. The Junior-Senior prom, sponsored by the junior class, was their big event of the year. These boys and girls of the '43 class rushed about the corridors selling patriotic and basketball schedule pencils. In order that the juniors might make more money for this "worthy" cause, the circus came not to town, but to H. C. H. S. The clown was the main attraction in this circus except for the animal — Sammy's "Hitler" (a kitten). "Oh—oh! Here comes someone who looks to me as if he is after money. Whew! A whole dollar for junior dues!"

It was really worth it for what better cause was there than our prom? These Juniors put out much hard work in decorating the gym. They stained their fingers while handling the brightly colored crepe paper, and found their hair had fallen down

over their eyes.

"Confound that ladder! It just won't quit wobbling. Someone come hold the bottom of it, please." These were the thoughts, if not the actual words of one of those poor, bedraggled, work-worn juniors. Well, you can't blame them for complaining just a little. It was rather discouraging. Ah-h-! At last the night of March 31, 1942 arrived after those many weeks of hard work and anxiety. The gym was truly beautiful. I guess it was worth all of our struggles. Boys were really "decked out" and I'm sure they all had washed behind their ears for this night of all nights. Even the most ordinary of girls seemed to blossom like flowers in their dresses of every hue. That was our main event of the year, but these juniors weren't idle in other activities. Much of the success of the junior class can be credited to Helen Clark, their capable class advisor, who sponsored them as they engaged in the activities of H. C. H. S.

Life is real! life is earnest!
And the grave is not its goal;
Dust thou art, to dust returnest,
Was not spoken of the soul.

Trust no future, how'er pleasant!
Let the dead Past bury its dead!
Act, act in the living present!
Heart within, and God o'erhead!

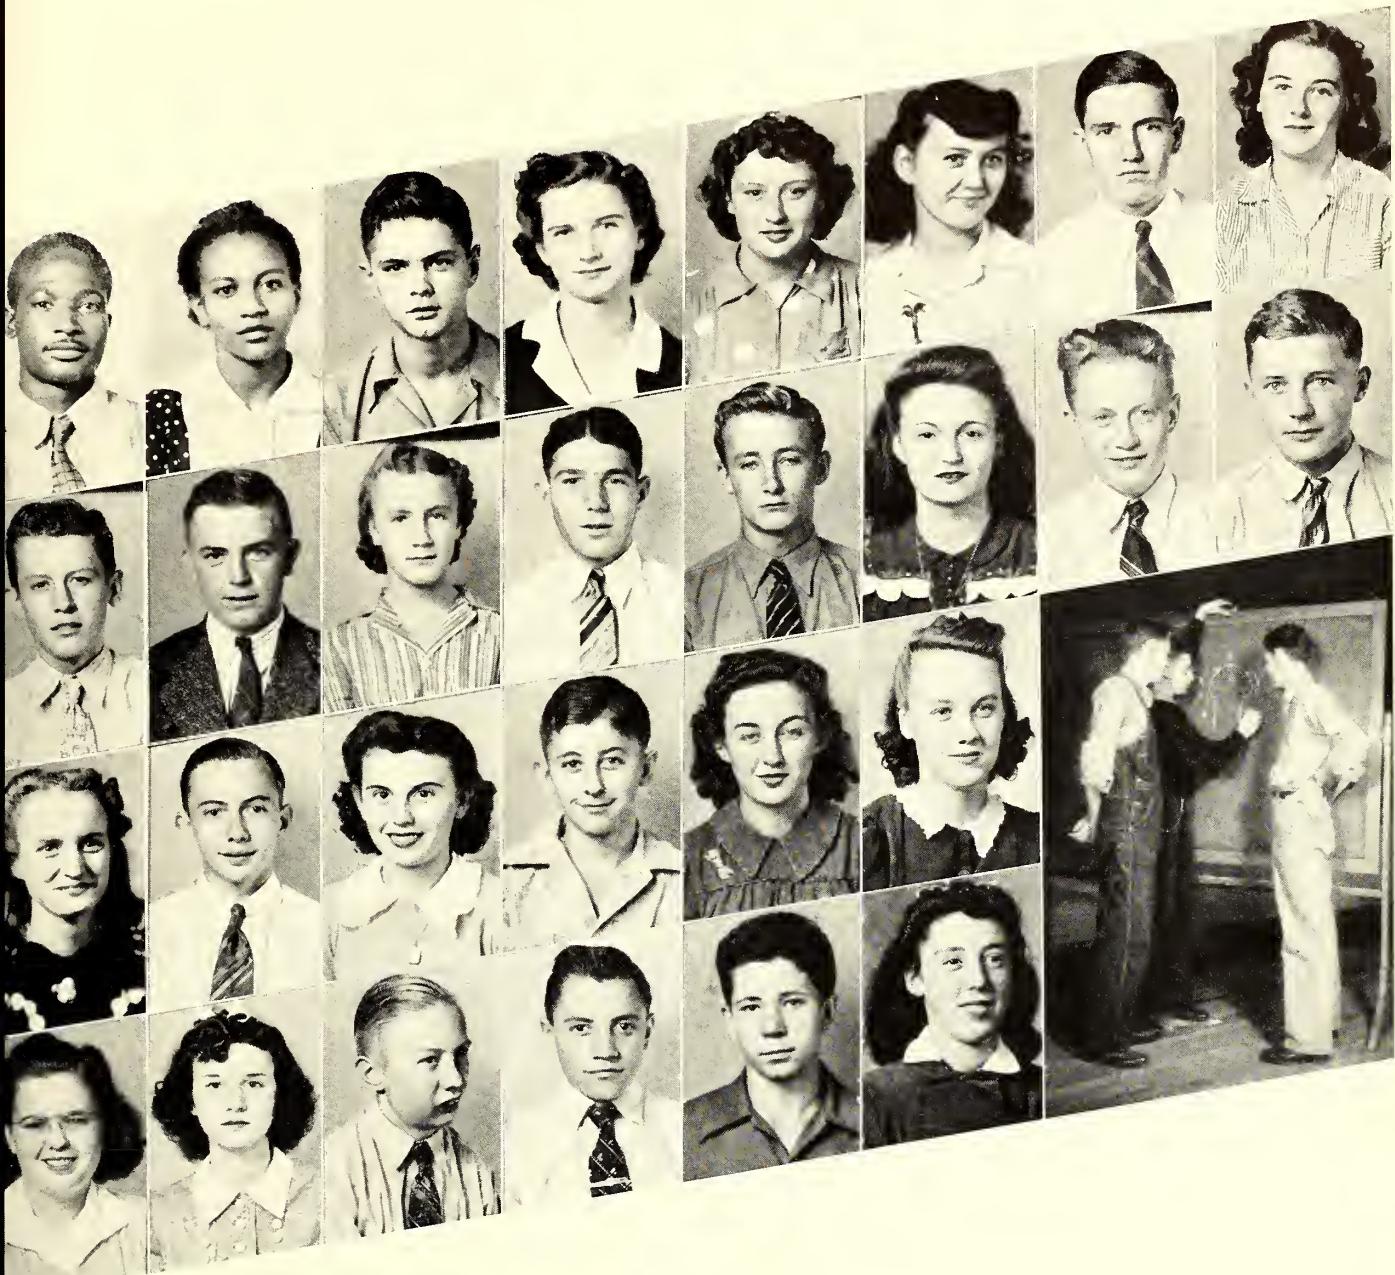

Lives of great men all remind us
We can make our lives sublime,
And departing, leave behind us
Footprints on the sands of time.

Let us, then, be up and doing,
With a heart for any fate;
Still achieving, still pursuing,
Learn to labour and to wait.

Sophomore Class

For the class of '44—another year had begun. Just what studies should one take was the big problem facing each of the one hundred and twenty-four sophomores on registration day. Should he struggle through another year of Latin or take bookkeeping? Oh! Will he ever be able to understand geometry? He is told it is the hardest subject in school and then as a poor sophomore he is expected to take it. They have accomplished one thing because the majority of them have outgrown the timidity of the year before and they took great delight in ribbing those "green freshies".

Their first year as green freshmen was an enlightening one as each day something new was learned about the organization of the school. Even though they were "green freshies" no one can say they didn't put on a good freshman program for assembly. Then to end their freshman year right they had their picnic which was one of the highlights of the year. Yum—yum! Those hot dogs did taste so good toasted around a glowing camp fire.

Soon they were faced with another year of hard work. I wonder what this year will

bring to each of them? They have climbed one step higher on the ladder of scholastic achievement. Finally the day arrived when three of their outstanding students took their positions as officers of the class. Oline Giese as president, Jean Zellmann as vice-president, and Bliss McLean as secretary-treasurer.

Albert Fishback stood in the limelight of the H. C. H. S. athletic department as an outstanding basketball player on the first team.

In the spring the sophomores gave their annual play before the assembly which was their crowning event of the year. It brought much laughter and fun to all. Another event enjoyed by the sophomores was the sophomore party. The campus rang with the joyous laughter of the happy students.

Miss Biggs, our willing and able advisor, sponsored the play given by the sophomore class.

After four months of enjoying ourselves during the summer months we will return to our Alma Mater as "jolly juniors" to continue from there.

Freshman Class

August 26—Registration Day

Well, well! Look who's entering good ol' H. C. H. S. famous corridors! A "Green Freshie!" In fact, a bunch of 'em. They must believe in the old saying, "Safety in Numbers."

"Now where is that library? I hear that's where we are to register. What are you taking? Latin? Oh, you poor soul! You should take history. I hear it's a push-over."

Incidents and accidents of the first week of school included the usual Freshmen tactics. Who was that "greenie" who walked into that senior math class? It looks as if they would at least learn their period bells. Oh, well, it's been said that ignorance is bliss, and they certainly are blissful.

Typical Freshman Scenes — The tardy bell has rung, but who cares, least of all two "Freshies". So they walk nonchalantly into band with an air of we-know-it-all.

"Where's your admit, girls?" Mr. Cox asks.

"Do we have to have one of those things?" they ask innocently.

"Green!" shouts the band.

The greatest achievement of the Class of 1945 was their Freshman program. The

main theme was a river barge minstrel on the ol' Mississippi River. All sorts of music was given by a number of talented "Greenhorns." The dialogue was well spattered with "salty" jokes and Jim Corbin kept things moving with his horseplay and singing. Mary Hartline (as usual) gave a brilliant performance on her cornet by "swinging out" on some old Southern numbers. Roy Hitt, our favorite good sport, furnished one of the many highlights of the show. He lay sprawled out on top of the piano casually eating watermelon. The class officers also did themselves proud. Can't you just imagine our president, Helen Cole, as a bright-eyed pickinniny? But what happened to Leo Jagodzinski, our vice-president? Oh, he was in the midst of everything, but with an old black hat pulled over those be-you-tiful blond curls! Of course our secretary-treasurer, Earl Traylor, was the nosiest of the officers by tooting on his ol' "gold plated trumpet". Where was our class advisor, Miss Bennett? Oh, she was behind scenes busy seeing that everyone followed his cues, and helping everyone in general. We think this was one of the best of Freshmen shows.

So go the Freshmen of '41-42.

Our sports section is a part of the "Hiltop" that really deserves its place. Enthusiasm and school spirit are stimulated by football, basketball, and track. Our new suits for basketball and football are bought with the money raised by our annual carnival. Therefore, we have placed the **carnival in the same section with** our sports. On the following pages you will see our teams in action and their records of past games. We leave this record of these teams and games to help you to remember your days at H. C. H. S.

FORTY REPORT FOR FIRST PRACTICE

FIVE LETTERMEN RETURN

Forty able-bodied boys answered Coach Fearheiley's call for football. Only five lettermen returned to form the main-stay of the '41 team. Kenneth Long, a senior, came back to take over the fullback position. Kenneth "Tub" Williams, our halfback of last year, will return to left halfback. Lipe, our regular end last year, will fill the center position this season. Dougherty will retain his position on the line. Wayne Welge, a junior, will take his old position at end.

The line of the Hiltop squad is composed of: Welge, Fishback, J. Denton, K. Phillips, at ends; Dougherty, Macbeth, Mondin, at tackle; Boyd, Fudoli, Owens, at guard; and Lipe, at center. The backfield places Long at fullback, Fergusson, Williams, Robbins, and L. Phillips, at halfback; and Suits at quarterback.

The new recruits were very green but after several nights of hard practice, the weak dropped out and different squads were well on their way.

Mr. Fearheiley took command of the first eleven while Mr. Ewald and Mr. Brown managed the rest of the squad.

At first the teamwork was rugged and the offense was very bad, but as the days rolled by the team began to work together. What used to be a tangled mass of players finally formed one clicking machine and feeble plays finally developed into a powerful steamroller. The boys practiced hard to reach the top for the season's opener at Granite City.

JOE FEARHEILEY

Joseph M. Fearheiley, Hiltop's capable coach, again takes over his duties as the head coach of football, basketball, and track. In past years he has guided Orange and Black Hiltop teams to places of high standing in county, regional, sectional, and state athletics. The Hillsboro eleven have fought their way to victory many times in these years and the basketball quintet have captured many county championships, and twice have broken into the State Tournament. Mr. Fearheiley is recognized as one of the most outstanding coaches in this section and ranks first with H. C. H. S. students.

Hillsboro, Benld, Carlinville, Mt. Olive, and Taylorville Present Strong Teams

The Hiltop squad, hoping for a chance at the year's South Central Conference title, will meet strong opposition in the Conference race. Most of the teams present a strong bid for the title. Benld, last year's champions, with Robertson in the backfield and a heavy line may go far in the conference drive. Carlinville, with their Curry and Cies combination, will run a close race and the Taylorville squad should be near the top of the list. Staunton, whose team is light and fast, may also finish high in the list. Mt. Olive, who for the last few years have not given much opposition, boasts of a strong squad this year. Hillsboro, while having only five lettermen back, sports a heavy line and a fairly fast backfield, and will be fighting for a place high in the list. Nokomis has little material to offer this year and cannot be expected to show much fight. Gillespie, who has been a leading contender in recent years, cannot be counted on very much in the field of action.

DOWNS STAUNTON 7-6

Hillsboro defeated Staunton, on the home field, in our first conference game this season.

In the first quarter the Crow Hill squad sent the kickoff to 15 yard stripe where a fumble cost Staunton possession of the ball.

Four line smashes were futile. Then the visitors took the ball and kicked to center of the field.

Late in the second frame a scoring drive was started when Williams, ailing halfback, called several reserves which befuddled Staunton. Ken Williams cut loose with five passes which resulted in Hiltop scoring. Long plunged over for extra point.

In the final frame Staunton swept deep in Crow Hill territory, resulting in a goal, but failed to converge.

LOCALS AND GRANITE
BATTLE SCORELESS TIE

Hillsboro's football team opened the current season Friday night under the lights at Granite City, and held Coach Lawrence McCauley's crew in a 0 to 0 contest. Both teams were strong on defensive plays and weak on offense.

At the opening of the second quarter, Granite City made gains through the line to the 15 yard stripe, where the local defense wall went into action, and regained possession of the ball.

In both the third and final quarters the host team made advances to scoring territory, once on a blocked punt and once on a long pass, but line smashes to score failed at the strong resistance offered by the Fearheiley men. Hillsboro completed two first downs to Granite City's three.

LATERALS AND HARD DRIVING
SPELLS DOOM FOR
HILLSBORO CREW

Decatur, Oct. 11—Decatur's Reds who for years have inclined toward bashfulness when it came to crossing the enemy's goal line, tossed away their complex with astonishing vigor last night to pass and batter their way to a 32-7 victory over Hillsboro at DHS field.

Forward passes combined with laterals paved the way for three of the Red's touchdowns and straight, hard driving football and ability to take advantage of the breaks brought the other two. It was the highest score a Decatur team has compiled in recent years and also the worst defeat suffered by Hillsboro in several seasons.

The Hiltop squad revenged the last years defeat by stopping the Taylorville team by a 13-0 score. The first frame passed with little action on either side. With only small gains being made by both sides.

Late in the second quarter Hillsboro launched an aerial attack which ended when Welge scored on a long pass from Williams in the end zone. Long plunged over for the extra point and at the half Hillsboro led by a 7-0 score.

The third quarter showed little action, until Suits broke loose to run 55 yards for a touchdown on a long pass from Williams. An attempt to kick for the extra point failed.

The final quarter showed little action and short gains were made by both squads. The action was confined to midfield and neither team came close to scoring. The game ended: Hillsboro, 13; Taylorville, 0.

To Scoreless Tie**

Coach Dave Kessinger's eleven gave Hillsboro the surprise upset of the season as the Nokomis team held the Hiltop to a scoreless tie. Playing on the Nokomis field which was a sea of mud, both squads missed several chances to score. Because of a slip-

pery ball, our team was unable to make its aerial attack click and bad backfield passes cost the loss of the ball many times.

In the second quarter Hillsboro fought to the 10 yard stripe. Then a fumble, recovered by Nokomis, cost us possession of the ball.

In the last two periods, neither team threatened to score, with only small gains made by either team. Final score: Nokomis, 0; Hillsboro, 0.

Carlinville Wades Through Orange and Black

At the kickoff the ball went down to the 37 yard line where a Hillsboro offside gave the hosts a first down. The Hiltoppers were pushed back to their 6 yard line. A bad pass by Fergusson was recovered by Carlinville center on one yard stripe. Curry plunged over for a goal and also made the extra point.

Curry shot a forward pass to his left end from the 5 yard stripe, who was smeared on the 1 yard line. Curry went over from the 2 yard line, but his kick was wide.

The second play after the kickoff, a pass from Williams to Welge, who went over for a goal. Bob Fergusson kicked for the extra point.

Soon after the third quarter opened, Curry ran back the kick from 25 to 50 yard stripe. Three first downs put the ball on the 11 yard line. On the third down Curry sent a lateral to Crosby and he went over for another goal. The extra point was wide, leaving the score 19 to 7.

The final period stimulated an aerial attack which was cut short when Curry intercepted a long one. Lewis went over on a quarterback sneak for the final score: Hillsboro, 7; Carlinville, 25.

**Hiltop Ties Last

Coach Fearheiley's grid team concluded its season with a 14-14 tie. Williams in the late minutes of the game shot a pass to Suits, who was stopped on the 3 yard line. Bob Fergusson's kick for winning point was wide by a few inches.

In the game Pana took command and scored with a 53 yard jaunt around their left end. Amling passed to Klay for extra point. Coach Fearheiley's squad chalked up four first downs putting the ball on the 1 yard line. Long plunged over to score.

In opening of second frame Williams tossed a pass to Welge who lateralized to Fishback who reached the eight yard stripe. Next play French intercepted a pass and ran to 8 yard line. Pana having acquired the ball fumbled behind the goal, and Fishback recovered the ball and scored a safety for Crow Hill team. In the fourth quarter Williams cut loose with passes to the 1 foot line. Long plunged to score, making the final 14 to 14 tie.

GET OFF TO FLYING START

The local fans got their first look at this season's basketball squad when the locals locked horns with the Kincaid five on the home floor.

Both teams were well matched and neither could build up any sizable lead. The game was close all the way with the lead switching back and forth and both teams fought hard for a victory. A final rally tied the game at the final horn at 22 all.

In the three minute overtime that followed the Hiltoppers made two field goals to the visitors' one and the game ended, Hillsboro 26, Kincaid 24.

The starting lineup placed Welge at center, Dagon and Williams at guard, and Fishback and Gracie at forward. For reserves the Hiltop squad had Suits, Stoup, K. Phillips, L. Phillips, and Dahler.

Coach Fearheiley's men face a tough schedule this year but with their speed and height we hope to come through with a good season's record, and a high place in the South Central Conference.

Bill Dagon, fast senior guard, led the scoring attack and the team as a whole played a smooth, fast game.

The Litchfield five handed the Hiltop crew a 51-36 defeat Friday the 13th on the local floor, which was the third straight loss to the Purple and White in this season. Scoring and fast breaks highlighted the game, with Arnett leading with 17 while Dagon came next with 16 points.

Litchfield stepped off to an early lead in the first quarter which ended 13 to 7. The second quarter featured a Hillsboro rally which brought them within striking distance of the Litchfield five, but as the quarter drew to a close the visitors rallied to set the score at 23 to 17.

In the last half the Litchfield team ran wild and steadily increased the lead. The game ended, Hillsboro 36, Litchfield 51.

HILTOP LOSES TO LITCHFIELD IN REGIONAL

FOURTH LOSS TO LITCHFIELD IN 41-42 SEASON

The Hiltop cage team lost to the Litchfield High crew Thursday night in the regional basketball tournament at Gillespie. The Purple and White took the game by a 39 to 24 count. This was the fourth victory of the season over the Hillsboro High quintet and the seventh consecutive win in two years.

Scoring was slow at the start of the game and at the end of the first quarter the Litchfield five had picked up a four point lead. The second quarter saw plenty of action but the opponents still maintained their lead, which they continued to widen as the game went on. At the final horn they led, 39 to 24.

AUDREY BROWN CROWNED CARNIVAL QUEEN

EVANGELINE GINOS CHOSEN
MAID OF HONOR

Climaxing the annual carnival, Miss Audrey Jane Brown, petite blond-haired senior, daughter of Mrs. J. O. Brown of this city and the late Mr. J. O. Brown, was crowned Queen of Love and Beauty in an effective setting held November 14 in the new gymnasium.

A large crowd which filled the new building to capacity gathered to enjoy the festive occasion and to see the crowning event of the evening. This was the coronation of the Queen, which is the climax of the carnival each year. The stage was set with a throne of white draped diae and when the stage curtains were parted the king, Shirley Lipe, could be seen seated. This made a most attractive scene. The orchestra sounded the recessional, which was under the leadership of Mr. J. Brent Cox. They played a very stately march while the queen's attendants and their escorts approached the stage from the rear of the bleachers. They came down the many steps onto the snow-white carpeted aisle which led to the stage where each of

the queen's maids and their escorts took their places on either side of the throne.

The trumpeters announced the approach of the queen whose royal blue velvet train was borne by little Miss Jane Kilpatrick, daughter of Mr. and Mrs. Carl Kilpatrick, little Miss Patty Sue Maynard, daughter of Mr. and Mrs. Don Nichols, and little Miss Peggy Brown, daughter of Mr. and Mrs. Tom Brown. The crownbearer was Lonnie Rademacher, son of Mr. and Mrs. L. E. Rademacher; the pillow bearer was Larry Adams, son of Mr. and Mrs. L. R. Adams; and the queen's beautiful bouquet was borne very casually by Miss Kay Maynard, daughter of Mr. and Mrs. Don Nichols.

The queen's becoming gown was like that of her senior girl attendants, made with a cerise colored basque and full gathered skirt that hung to the floor. With her royal blue velvet train she formed a picture of youthful charm and loveliness. As Audrey knelt down on the white satin pillow, Shirley Lipe, as king, crowned her as Queen of Love and Beauty for the year of nineteen hundred and forty-one at the Hillsboro Community High School.

Special Numbers By Students In Queen's Honor

To end the carnival with a bang of success the court entertainers gave a brief but very outstanding program, which included a vocal solo, Smilin' Through, by Pearl Marie Frakes; a trumpet solo, Star Dust, by Mary Hartline; a vocal solo, Italian Street Song, by Marjory Todd; and a dance number, Tonight We Love, by Oline Giese and Wayne Welge, and a vocal solo, The End of a Perfect Day, by Billy Rutledge. The young ladies who took part in the program wore floor-length white gowns with short puffed sleeves. Each carried fan-shaped bouquets of scarlet carnations which made a very striking contrast with the bright gowns of the queen and her attendants.

The stage setting and flower arrangements were the result of capable and tireless work by Ray Hicks, who assisted Miss Helenann Guthrie in the preparation for the Coronation Ceremony.

The work that has been done by Miss Guthrie for the past four years to improve the queen's ceremony was very evident this year.

QUEEN'S ATTENDANTS

Edwards, Bowser, Gracie, Robbins, Dagon, Mueller, Macbeth, Ginos, Thatcher, Murdoch, Klar, Hill, Allman, Laws, Long, Scariot, Bass, Serjun, Dougherty, Williams, Young, Long, Andrichetti, Girhard, Bullock, Moore, May, Pownall.

Outstanding Senior Girls and Escorts

The attendants were all groomed in cerise colored taffeta dresses made with fitted basques and full gathered skirts that hung to the floor. Each carried a fan-shaped bouquet of white carnations, the escorts wearing lapel cerise carnations to match the gowns of the young ladies. They formed a lovely setting for the coronation of the Queen.

The procession was led by Elva Long with her brother, Kenneth Long, as her escort. This was a very lovely and unusual sight to see. The following attendants and escorts ad-

vanced to the stage: Betty Allman and William Mueller, Regina Andrichetti and John Scariot, Betty Bullock and Edward Serjun, Nancy Girhard and Arthur Bass, June Hill and William Dagon, Dorothy Ann Klar and Glen Robbins, Sara Evelyn Laws and Douglas Macbeth, Mary May and Kenneth Williams, Jean Moore and Ray Dougherty, Julia Anne Murdoch and John Gracie, Patricia Pownall and John Young, Mary Lou Thatcher and Robert Bowser, and Evangeline Ginos, who was maid of honor, and escort, Ralph Edwards.

CONFETTI THROWING CROWD THRONGS PIKE

The gym was filled to capacity with both old and young, all enjoying the many attractions of "The Pike". This was under the direction of Miss Ona Mae Lemmon and Miss Alta Butz and was well carried out by the following young people:

Jackie Sidwell, Marjorie Todd, Bill Hensen, Billy Owens, Leslie Taylor, Colleen Davis, Betty Clotfelter, Ray White, Dale Clayton, Ruby Cunningham, Mary Ann Huber, Norma Blankenship, Arthur Comstock, June Lynch, Betty Pope, Betty Williams, Carol Ann Felkel, Albert Burton, Jean Zellmann, Dale Boyd, Kathryn Hickman, Edna Oakley, Dolores Spensberger, Hazel Radcliff, Ada Caulk, Kathryn Codemo, Bill White, Paul Meyers, John Crabtree, William White, Viola Faulkner, Mary Snyder, Rosaleen Young, Melba Graham, John Abernathy, Naomi Jones, Tommy Holt, Doris Mae Hampton, Virgil Campbell, Rose Marie Betoche, Dorothy Betoche, Earl Boliard, Patricia Smith, Faye Rainey, James Clelland, Margaret Boogher, Edward Yencho, Mary Mizera, Ray Collins, Betty Manley, Stuart Cole, Louis Palmer, Doris Brockman, Norma Caldwell, Jacqueline Graham, Mitchell Harmer, Virginia Brockman, Virginia Jones, Adeline Brockman, Helen Zellmann, Betty Lawrence, Alma Bills, Regina Andrichetti.

THE LUNCH STAND

We do believe everyone stopped at the lunch stand before entering the doors of the old gym. The reason the lunch stand had such a thriving business was the luscious smell of hot dogs and the sight of red soda pop and ice cream bars. These were the most popular foods and were dispensed by Harold Butler, John Campbell, Warren Cress, Jim Cullen, Herschel Elam, Cleo Elmore, Walter Finley, Edward Frame, Harold Funk, Bill Herman, Russell Hiller, Alfred Kumpel, James Taylor, Leslie Taylor, Maynard Thacker, Earl Taylor, Raymond Traylor, John Walters, Billy Wright, Wilbur Young, Arthur Thatcher, Edmund Spinner, Doris Stephenson, Dimple Brown, Dorothy Dockery, Jo Rose Donaldson, Edna Oakley, Lavona Denning, Ilean Huber, Adeline Edwards, Kathryn Codemo, Donna Noyes, and Lucille Bowman. Miss Ada Foster, Miss Myrtle Whitten and Miss Agnes Reed were the sponsors.

THE BLACK CAVE

Just as everyone entered the doors of the gym the first thing he saw through the showers of confetti, was the cave. (Continued on Page 56, Column 3)

With heads bobbing up and down, feet shuffling, voices chattering and babbling was the typical crowd outside the "Tin Pan Alley." This show was directed by Miss Helen Clark and was put on in the library. The barkers called in muffled but definitely loud voices for one and all to come and see this great show, "Tin Pan Alley. It's just two tickets."

Ah-h-h! The first show was "filled to the brim." The lights went out and the curtain opened showing eight tiny bodies with large heads swinging back and forth to "There'll Be a Hot Time in the Old Town Tonight." The midget girls wore tiny straw hats with ribbons streaming down the sides. Their dresses were of dotted swiss and batiste in different colors. The gentlemen (for that is what they were called in those days) were dressed in the height of fashion. Satin coats, black and white checked trousers, and a bow tie were included in their attire. All of the boys wore miniature top hats. Frank Markel looked like a true villain with his curling, long black mustache. They carried tiny canes which added a desirable touch to the show.

The songs were gay and peppy. I actually shook and rattled from the vibrations of those lusty voices. Jokes were told on anybody and everybody, and sometimes they really "hit the nail on the head."

After about a half an hour of rollicksome fun and laughter, the puppets gave a big broad smile and went into their closing song "Dark Town Strutter's Ball," and the curtains swung together.

Blackout Held — Study Hall 1 Minstrel Show

Grease-painted minstrels singing "Yes, Indeed" could be heard in the halls. The people outside couldn't understand the fun and work combined to making this show a wonderful success.

Miss Manning and Miss Biggs chose the following people for their show:

Joe Major	W. L. J. Jones
Barbara McLean	Spring Song
James Pierson	Blackout
Oline Giese	Cynthia Ann
Wayne Welge	Interlocuter
Mary M. Seymour	Magnolia Sue
Harold Brown	Lightning
Evangeline Ginos	Lindy Lou
Frank Denton	Eight Ball

We started right away deciding upon what our show would consist. We had so much fun! Practicing songs and telling jokes, but that wasn't all of it. We had to practice every night after school. But did we mind? Of course not.

Finally we decided upon orange and black for our color scheme and what

could be more appropriate for they were our school colors. The most outstanding part of our costumes were the blouses with full long sleeves and the boys' orange bow ties.

Dress rehearsal night rolled around. We didn't blacken our faces that night, but we did everything just as we were going to when our big occasion arrived. We told our jokes, Oline sang her number and Evangeline danced, and rehearsal night was over.

Confidentially, some of us wrote our jokes on the floor and if by some misfortune we should have forgotten, all we had to do was to glance at the conglomeration of lines. Bright, wasn't it?

Our new jokes poking fun at the members of the faculty and people who happened to be in the audience brought forth many laughs.

Miss Biggs was our accompanist, and Miss Manning our director. It was with their help that the Minstrel Show was a great success.

DEFENSE FOR AMERICA

Auditorium Show "Bang-Up" Success

While canvassing the 1942 H. C. H. S. Carnival, your roving reporter came upon the auditorium show and was certainly glad she did.

After paying her admission, your reporter managed to get back-stage for a first hand view of a carnival show.

We found Miss Horner, the senior chorus director, giving Bill Rutledge (our southern lad all dressed up in 1918 khaki) some last minute hints on his solo number. Everyone was in a frenzy over his own music and properties. The show's orchestra tuned up with Mary Ellen Atteberry, the school's top pianist, and Ralph Edwards and Betty Manley trying a little "boogie woogie."

Scraps of talk such as "Jo Ann, tighten up your drums",—"Martha, does my skirt hang straight?"—"Who has a safety pin?", all showed that everyone was excited and having fun. There was Uncle Sam! Oh, he was

Otis Gan, the narrator of the show. My, but he looked tall and dignified. Audrey Brown was also dressed just like Otis. She certainly did some tap dancing in the show.

The Girls' Sextette looked most patriotic in their red, white and blue skirts and blouses. Their rendition of "I'm an American" later proved a success.

There were the Martin twins in lovely white formals rehearsing a few bars of "God Bless America." Mary Vandever stood near by practicing a few steps of her tap specialty as Vera Taylor whistled for her accompaniment. Then came the curtain time and everyone got in his place. For the opening number, a stirring march was played on the piano and Uncle Sam led in the cast, wearing all the colors of the flag.

"On with the show!" whispered Miss Horner and then your reporter found a seat in the crowded auditorium and listened to the opening chorus "Hi, Neighbor." That was the beginning of the first of the evening's six successful shows.

Confetti Throwing Crowd Throngs Pike

(Continued from Page 54, Column 3)

Of course, everyone loves a mystery and a few thrills, so he bought his ticket and fell over the bed springs as he entered into the blackness of the cave. It was under the direction of Mr. L. E. Rademacher. Those in the mysterious cave were: Bill Mueller, Jim Walsh, David Tarran, Bob Ferguson, Jim Stokes and Jim Sturgeon.

BINGO STAND

After he came out of the cave quite alive, he heard Melvin Kepper's loud voice at the bingo stand. Whether at a school or a street carnival there is the ever popular "bingo", and he wouldn't think of not trying just once. So he tried his luck. Mr. L. R. Adams was in charge of the stand with the following assistants: Don Young, Kenneth Ott, Albert Puccetti, Melvin Kepper, Edwin Winkler, George Frame, Charles Turner, and Bert Orland.

CANDY STAND

After trying his luck at "bingo" and quite happy because he had won, he thought he would try some of the girls' home-made candy. Virginia Denton sold him his bag of candy. He also noticed that Helen Johnson, Gloria Simpson, Dorothy Pierson, Josephine Boliard, Mary Sturgeon, Vera Gan, Judy Johnson, Eloise Steele, Rosemary Imhoff, Lois Govaia, Helen Cole, Helen Boogher, Jane Dorsey, Charlotte Edwards, Pat Grassel and Jean Dorsey were also helping. The candy stand was in charge of Mrs. Neylon and Miss Bennett.

PENNY GAME

Another attraction was the penny game. Those helping were Charles Stroup, Frank Young, Louis Huber, Arthur Michelin, and Kenneth Phillips, who were directed by Mr. Walter Brown.

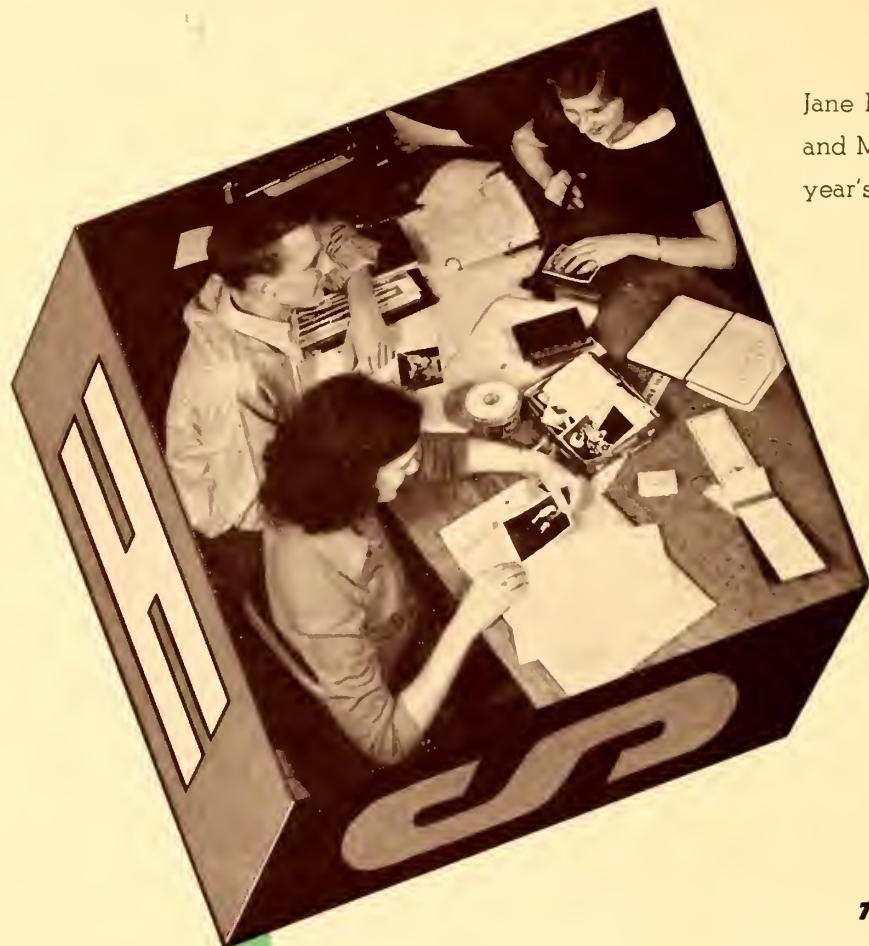

BOXING MATCHES

As he was on his way over to the new gym to see the coronation of the queen he stopped to see the last boxing match. This was under the supervision of Fred Ewald. Those taking part in the matches were: R. Dougherty, B. Stephenson, W. Osterman, A. Fishback, A. Thatcher, H. Atteberry, E. Booher, R. Skipper, A. Lawson, C. Logsdon, P. Rappe, R. Hicks, C. Hicks, N. Himes, C. Hayes, R. Hitt, J. Hayes, C. Paden, and M. McPherson.

Activities

Jane Hartline, Wayne Welge,
and Marjory Todd work on this
year's "Hiltop".

Activities

We have devoted this section of the 1942 "Hiltop" to the organizations that form the hub of our school life. Activities play almost as important a part in our education as does pure "book-learning". Through extra-curricular work we learn to cooperate both with our teachers and fellow students, and to display the talents that have been bestowed upon us. Included in this division are: The Library, Hiltop Staff, Girls' Clubs, Girls' Chorus, Boys' Glee Club, German Club, Girls' Athletic Association, Commercial Club, Home Economics Club, Operetta, Senior Class Play, Masque and Gavel, and the Band.

Librarians

One of the most important rooms of our school is the library. The librarians are chosen by Miss Biggs, who is in charge of the library. They are always junior and senior girls.

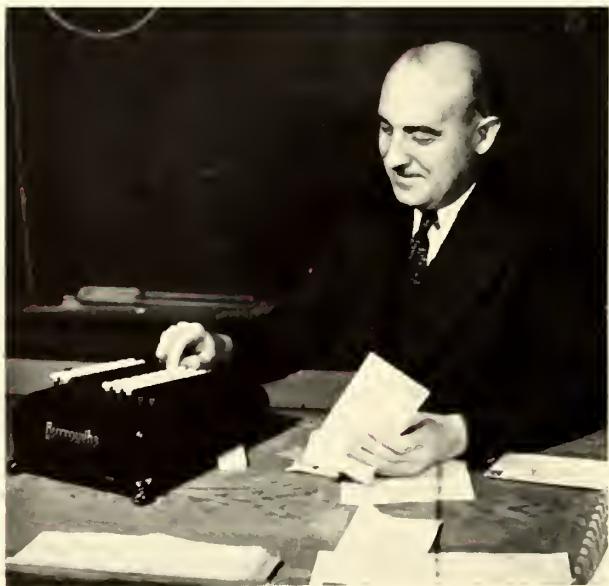

The librarians are responsible for books in the library which are taken out and returned. A book is loaned for two weeks and for each day after this, there is a fine of two cents per day. The order and conduct of the library is another job of the librarians.

Each period has two girls who act as

librarians. In first period are Patricia Andres and Ruth Tarran; second period, Dorothy Klar and Betty Manley; third period, Ruby Cunningham and Eileen Wilson; fourth period, June Hill and Doris Mae Hampton; fifth period, Donna Potts, Alma Bills and Elva Long; sixth period, Rose Marie Betoche and Margery Davis; seventh hour, Mary Hill and Winifred Rogers; eighth period, Mary May and Jean Moore; after school, Olga Frkovich and Martha Walsh.

L. R. ADAMS
Our capable Hiltop advisor

L. R. Adams

"Nobody knows the trouble I've seen." Thus sighs every Hiltop staff member at sometime during the year.

The financial department, business managers, circulation managers, and candy girls, keep the bookkeeper busy juggling finances. On the strength that they keep a good balance the art editors plan the book while literary and sport editors slave over copy. At the beck-and-call of all are kodak editors, typists, and underclassmen representatives. The job of the editor is to keep these departments working together.

We owe much to our capable advisor, Mr. Adams, whose ever willing advice is always welcome. Often unmentioned, but necessary, is our literary advisor, Miss Biggs. The copy writers rely much on her literary help and her willingness.

The German Club

Der Deutschs Klub was organized in the fall with the enthusiasm of the seniors and the curiosity of the juniors. They chose Dorothy Ann Klar as the president; Harold Green, vice-president; David Tarran, secretary; and "Texas" Fergusson, the treasurer. Of course our popular "Roddy" was the sponsor.

The Christmas meeting was held the day before Christmas vacation. The senior members presented a Christmas story in a mock class. Pearl Frakes and Oma Weiss rolled them in the aisles

with their impersonations of Mary and Martha Martin. In the next meeting, we were intrigued by Jackie Bob Skinn's songs about saving coupons. The Deutsch Klub meetings are predominated by "those" junior boys. They keep the meetings in a general uproar, and, to the great amusement of the rest of the members, completely floor the president with their answers to the roll call. We have had a profitable year, at least we have had a lot of fun. So, as they say, auf Deutsch, Aufwiedersehen.

Boys' Glee Club

As the bell rings at the beginning of fifth period on Thursday, the best place to be is in the Old Gym where the Boys' Glee Club holds forth.

From the balcony you can see Rainey, Attebery, and Keith come roaming in with their musical instruments, eager to help the accompanist pound out the music and time. After the books have been passed out and roll is called, there arises great confusion. This uproar occurs whenever Mr. Rademacher calls for favorite selections which are: "Juanita," "Yankee Doodle," "Marine Hymn," and the boys usually end up singing "Grandfather's Clock." At sometime during the period Mr. Rademacher has to ask Eddy if he's ready. Eddy Goyak immediately turns all shades of red while the group around him are greatly amused and again, it takes time to get down to singing.

The freshman boys seem to really like to sing which fact puts a great deal of pressure upon the seniors as they cannot afford to let the "freshies" out-sing them.

All in all this is a dandy glee club which provides entertainment for our assemblies, P. T. A.'s and other programs when called upon, and when the bell brings the session to a close everyone is anxious for another meeting on the next Thursday. Oline Giese

Junior and Senior Girls' Chorus

All girls love to sing! It is for this reason that the Girls' Chorus outgrew itself. For efficiency's sake and for more enjoyment there are now two groups known as Girls'

Chorus.

The Girls' Chorus meets once each week to enjoy a session of singing old favorites such as "Indian Love Call," "Ol' Man River," and

Mrs. Telfer gave us some sound points on

Commercial Club

Stenographers, typists, bookkeepers, and commercial faculty members assemble each year to make up our Commercial Club. But this year, more than ever before, our work seemed more fascinating as we felt as though we had more to work for after our country declared war. It is very obvious that there is a great demand for young people with our abilities to assist our government, and it is our civilian duty to fulfil such demands.

The Commercial Club was indeed a greater success this year than usual as we started our organization in November instead of January. Therefore, we enjoyed six months of club work and fun. Each commercial class nominated the candidates of which three students were chosen by popular vote, to rep-

resent the Senior, Junior, and Sophomore classes. Mary May was chosen as President of the Senior council, June Hill as Secretary, and Regena Andrighetti as Treasurer. For the Junior council, Pat Wilson, President; Martha Bodkin, Secretary; and Mary Hill, Treasurer. Mary Miller was chosen President of the Sophomore group; Marilyn Laws, Secretary; and Betty Barnes, Treasurer. It was also agreed upon that Mary May should preside and act as general chairman of the club. With the excellent cooperation and supervision of our commercial faculty members, Miss Butz, Miss Edwards, and Miss Lemmon,—we are proud to say that much was accomplished during our school term.

NOVEMBER

The meeting was opened by everyone standing and singing "America." We were very fortunate, however, to have Mr. J. R. Colbert of the Illinois Commercial College speak to us. Also the program included solos by Betty Manley and Joe Venturelli.

DECEMBER

Again everyone stood and sang "America." We had our business meeting and then Mr. G. T. Anderson, a prominent Hillsboro business man, gave an interesting talk. Martha Walsh gave a Christmas reading.

JANUARY

Oh yes, this was the month that the councils got together and decided not to have a commercial meeting as they knew very well that all the students would have their minds on semester exams.

FEBRUARY

Everyone stood and sang "America." We conducted our business meeting and then we

were indeed very proud to have a former student of our school talk to us on the good qualities of a secretary. She was Miss Mary Frkovich. The remainder of the meeting was spent taking Hiltop pictures.

MARCH

Everyone stood and sang "America." We held our business meeting and a very interesting talk was given by Mrs. Miller of Hillsboro. Solos were sung by Pearl Frakes and Bill Rutledge. Mrs. Neylon's speech students presented two famous ballad skits.

APRIL

Everyone stood and sang "America." We straightened up our books for the year and then our entertainment consisted of a short play. The characters being: Betty Sturgeon, Betty Lawrence, Johnnie Scariot, Ronald Stokes, Betty Ewick, Albert Puccetti, Don Young, Mary Mizera, and Dorothy Bandor. It was directed by Mary May. We also had a variety of other numbers.

The first act takes place in the village of Flanders a long time ago. The villagers are gathered together to discuss a very strange Old Lady who is staying at the Inn. She is endowed with a magical power and refuses to leave. Word comes that Mistress Martha's girlhood sweetheart, Sergeant Kloque, is coming, and she doesn't know what to do. Her young, shy niece, Pipette, her sweetheart, Peter, and the old miser, Boomblehardt, seem to be of no help.

The Sergeant arrives with suggestions to rid Flanders of the Old Lady.

Later the Old Lady sees through the scheme and all are compelled to do the opposite of their disposition.

In the end, the Old Lady lifts the spell and all the villagers join in a song of thanksgiving.

SYNOPSIS

"Ever Since Eve" is a new comedy of youth. It is a mirthful story of Susan Blake, a "career girl," and the troubles which beset those two loyal musketeers, Johnny Clover and Spud Erwin, Editor and Business Manager of the Preston High School *Penguin*, when Susan high-pressures herself into the position of Assistant Editor. Before the curtain falls on the second act, Susan—always with the best possible intentions—has almost bankrupt the *Penguin*, shaken the friendship of the musketeers, and given them the measles. When her innocent enthusiasm involves all three in an illegal pinball game, which almost lands them in jail, Johnny's mother steps in and saves the day—not only for the young people but also for the high-school principal and the pretty journalism teacher, whose lives have been disrupted by the ubiquitous but ever adorable Susan. A light-hearted play, buoyant with the bubbling effervescence of youth.

G. A. A.

G. A. A. are the initials which stand for Girls' Athletic Association. This club is a state organization and very active, as is suggested by the first "A" in the initials, G. A. A. These girls have after-school teas and truly have an enjoyable time. Dancing with music furnished by an orchestra made up of some of our talent-

ed boys and girls in H. C. H. S., and refreshments make up the entertainment of these teas.

The president is June Hill, vice-president is Joan Telfer, and the secretary-treasurer is Norma Ellington. Miss Helen Clark is the sponsor of the G. A. A.

Masque and Gavel

This year Masque and Gavel, sponsored by Mrs. Neylon and Miss Manning, was added to our already impressive list of organizations. At our first meeting we elected Mary Ellen Atteberry, president; George Frame, vice-president; Martha Walsh, secretary; and Glen Robbins, sergeant-at-arms. We immediately started out after an A rating, which is tops among Masque and Gavel chapters. The club members have been active in school and community affairs by participating in the Christmas Seals' campaign and promoting a school clean-up week. The latter was very successful if the difference in the amount of paper on the floor is any indication. Everyone in school enjoyed the slogan contest. The first year was very successful and we are all looking forward to bigger and better ones.

Sisters of The Skillet and Masters of the Needle

The Home Economics Club meets on the fourth Wednesday of every month during the fifth hour. To be eligible one must have studied either foods or clothing. Very outstanding and interesting meetings have been planned by their capable committees.

At the first meeting Lena Marcolini was elected president, Patricia Pownall for vice-president, and Betty Stein as secretary and treasurer.

The second meeting was an interesting one. A play "An Invitation to Dine" was presented by the Committee itself. They were: Betty Barnes, Lucille Glass, Rose Marie Weiss, Marilyn Toberman, with Patricia Pownall as the speaker. The play was based upon table etiquette.

At another outstanding meeting of the year Mrs. Neylon gave a talk on "Personality" and Mr. Anderson on "Merchandizing."

A vocal solo by Pearl Frakes was enjoyed on this particular Wednesday. Those on the com-

mittee for this meeting were Joan Telfer, Donna Potts and Margery Davis.

Other meetings were enjoyed throughout the year by the girls.

The girls in the foods classes not only learn and perform their daily lessons but also aid in preparing the lunches for the cafeteria. They also make all the cookies for the G.A.A. teas. We found that the cookies were very good and we know the girls will make good cooks in the future.

The clothing classes found time to sew layettes for the Red Cross. Jane Hartline and Evelyn Rayshack made the Queen's robe for this year's Carnival. All the clothes made in the clothing classes by the girls show much skill and patience.

I am sure that each girl feels she has benefited by her associations with this club and Home Ec. classes.

Every Goal A Starting Point Toward Another

We congratulate our graduates. And, we congratulate their parents, too, who have sacrificed for them.

"Life is a constant arriving," a great philosopher has said. "We no sooner reach our goal than infinite vistas spread out before us."

From the vantage point of high school graduation, may our young friends catch new visions of higher goals toward which to strive.
